ACE 2014

11th INTERNATIONAL CONGRESS ON ADVANCES IN CIVIL ENGINEERING

21 - 25 OCTOBER 2014 ISTANBUL / TURKEY

Dear Colleagues,

11th International Congress on Advances in Civil Engineering- ACE 2014 will be hosted by Istanbul University Faculty of Civil Engineering in Süleyman Demirel Cultural Center, Istanbul on October, 21-25, 2014.

The traditional ACE congresses have been hosted every two years by one of the organizing universities: Bogaziçi University, Eastern Mediterranean University, Istanbul Technical University, Karadeniz Technical University, Middle East Technical University and Yıldız Technical University.

The main topics of ACE 2014 are geotechnical, hydraulic, mechanical, transportation, wood and steel structures, reinforced concrete structures, theory of structures, construction management and building materials.

We aim to discuss the latest and current issues on Civil Engineering in academic platform and to bring together researchers, experts in many countries from all over the world with participation more than 500 academics.

We believe your contribution and participation in ACE 2014, to meet in benefits with the participation of the world's major universities, academics, consultants and professional managers with expertise on a global scale providing services to international companies and institutions, consultants and professional managers, will increase the success of the congress.

Therefore, we wish to organize our congress in cooperation with your valuable support.

Thank you in advance for your kind interest to ACE 2014.

Sincerely,

ACE 2014 Organizing Committee
